I just learned that pro and con speakers will get 1 minute each.

Give your name, how many years you have lived in Westchester, Playa del Rey or your area, make your statement, and "try not to repeat previous speakers"

Suggested one minute comments (pick one):

1. Moving runway 260 feet north permanently moves noise contour closer to homes, business, schools and churches and newly impacts over 13,000 residents in Westchester / Playa del Rey, Inglewood and South Los Angeles.

2. Moving the runway to the north violates the LAX Plan and LAX Specific Plan which states that aircraft noise and operations should be moved as far away from surrounding neighborhoods as possible.

3. There is strong support for the Environmentally Superior Alternative, Alternative 2 and Alternative 9. Alts 2 and 9 are supported by Council Members Bill Rosendahl and Eric Garcetti, Maxine Waters and groups such as ARSAC, Neighborhood Council of Westchester/Playa del Rey,

Westchester Vitalization Corporation and many more.

4. The existing north airfield was determined to be extremely safe in the North Airfield Safety Study and that moving the north runway could not be justified for safety purposes alone.

5. Alternatives 2 and 9 probably will not result in lawsuits which could further delay LAX modernization for another 3 years.

See you at LA City Hall. Please arrive before 2:30pm to get a seat!

Thank you,

Subject: Committee Hearing on LAX - Tuesday, April 9 2:30pm - We Need You at City Hall

Hello Everyone,

The issues of modernizing LAX and **(not)** moving the runway will be heard at City Hall this Tuesday at 2:30 pm during a Joint Planning & Land Use Management and Trade, Commerce & Tourism Committees Special Meeting. This is the next step before the full City Council will hear the issue.

You can view the agenda at the link below:

[http://ens.lacity.org/clk/committeeagend/clkcommitteeagend2681775\\_04092013.pdf](http://ens.lacity.org/clk/committeeagend/clkcommitteeagend2681775_04092013.pdf)

This will be an opportunity to educate many of the members of the City Council and to offer your opinions during the public comment periods.

We're looking forward to seeing you and encouraging people to car pool - I can arrange parking if you send me the make, model, color and license plate # of your vehicle by Monday at 2pm.

Thanks, and let me know if you have any questions or concerns. We can do this!

-Nate
